

**Educational Standards Learned from
KidVision Pre-K Field Trips, Seasons 1-7
(70 Field Trips/280 Standards Lessons)**

KidVisionPreK.org

1. African Dance & Music

- Creative Expression Through the Arts: Music
- Creative Expression Through the Arts: Visual Arts
- Creative Expression Through the Arts: Movement & Dance
- Creative Expression Through the Arts: Dramatic Play & Theater

2. Aikido Dojo

- Physical Development: Physical Fitness
- Cognitive Development & General Knowledge: Social Studies
- Social & Emotional Development: Relationships
- Physical Development: Gross Motor Development

3. Airport

- Social Studies: People, Places & Environments
- Language, Communication & Emergent Literacy: Vocabulary
- Mathematical Thinking: Spatial Relationships
- Language, Communication & Emergent Literacy: Conversation

4. Amazon River Exhibit

- Social Studies: Geographic Thinking
- Scientific Inquiry: Explores the Environment
- Life Science: Characteristics of Living Things
- Creative Expression Through the Arts: Movement and Dance

**Educational Standards Learned from
KidVision Pre-K Field Trips, Seasons 1-7
(70 Field Trips/280 Standards Lessons)**

KidVisionPreK.org

5. Animal Farm

- Scientific Inquiry: Investigation and Inquiry
- Mathematical Thinking: Measurement
- Physical Development: Fine Motor Development
- Scientific Inquiry: Life Science

6. Animal Shelter

- Approaches to Learning: Planning & Reflection
- Language, Communication, & Emergent Literacy: Listening & Understanding
- Physical Development: Health & Wellness
- Physical Development: Gross Motor Development

7. Aquatic Center

- Physical Development: Health & Wellness
- Approaches to Learning: Creativity
- Mathematical Thinking: Measurement
- Health & Wellness: Physical Fitness

8. Art Museum

- Visual Arts: Explores Visual Arts
- Visual Arts: Creates Visual Arts to Communicate an Idea
- Mathematical Thinking: Geometry
- Approaches to Learning: Creativity

**Educational Standards Learned from
KidVision Pre-K Field Trips, Seasons 1-7
(70 Field Trips/280 Standards Lessons)**

KidVisionPreK.org

9. Bake Shop

- Life Science: Identifies the Five Senses
- Language, Communication, & Emergent Literacy: Motivation for Reading
- Mathematical Thinking: Measurement
- Physical Development: Fine Motor Development

10. Bank

- Mathematical Thinking: Geometry
- Mathematical Thinking: Counting
- Mathematical Thinking: Number Sense
- Mathematical Thinking: Numbers & Operations

11. Baseball Stadium

- Social & Emotional Development: Relationships with Peers
- Gross Motor Development: Control & Balance
- Gross Motor Development: Combining Movements
- Mathematical Thinking: Geometry

12. Beach

- Health & Wellness: Health & Safety Routines
- Emergent Reading: Motivation for Reading
- Scientific Inquiry: Earth & Space
- Gross Motor Development: Combining Movements

KidVisionPreK.org

**Educational Standards Learned from
KidVision Pre-K Field Trips, Seasons 1-7
(70 Field Trips/280 Standards Lessons)**

13. Biscayne National Park

- Language, Communication & Emergent Literacy: Emergent Reading
- Cognitive Development & General Knowledge: Scientific Inquiry
- Language, Communication & Emergent Literacy: Vocabulary
- Approaches to Learning: Eagerness & Curiosity

14. Butterfly World

- Life Science: Growth & Change
- Life Science: Characteristics of Living Things
- Creative Movement & Dance: Explores Creative Movement & Dance
- Mathematical Thinking: Simple Symmetry

15. Bowling Alley

- Physical Development: Self Help
- Mathematical Thinking: Measurement
- Physical Development: Gross Motor Development
- Mathematical Thinking: Number & Operations

16. Children's Hospital

- Social Studies: Civic Ideals & Practices
- Physical Health: Medical Screenings
- Social Studies: Technology
- Physical Development: Health & Wellness

KidVisionPreK.org

**Educational Standards Learned from
KidVision Pre-K Field Trips, Seasons 1-7
(70 Field Trips/280 Standards Lessons)**

17. Children's Theater

- Approaches to Learning: Creativity
- Language, Communication, & Emergent Literacy: Emergent Reading
- Social & Emotional Development: Relationships
- Cognitive Development & General Knowledge: Creative Expression

18. Construction Site

- Approaches to Learning: Planning & Reflection
- Physical Development: Health & Wellness
- Mathematical Thinking: Measurement
- Physical Development: Fine Motor Development

19. Cooking School

- Health & Wellness: Healthy Food Choices
- Health & Wellness: Health & Safety Routines
- Emergent Reading: Reading Motivation
- Language & Communication: Speaking

20. Costume Shop

- Dramatic Play & Theater: Explores Dramatic Play & Theater
- Dramatic Play & Theater: Creates Dramatic Play & Theater
- Dramatic Play & Theater: Discusses Feelings Caused by Dramatic Play & Theater
- Language, Communication & Emergent Literacy: Vocabulary

**Educational Standards Learned from
KidVision Pre-K Field Trips, Seasons 1-7
(70 Field Trips/280 Standards Lessons)**

21. Dentist's Office

- Social Studies: Jobs that People Do
- Health & Wellness: Oral Hygiene
- Physical Development: Dental Check Up
- Life Science: Explores Growth

22. Dinosaur Exhibit

- Approaches to Learning: Planning & Reflection
- Physical Development: Health & Wellness
- Mathematical Thinking: Measurement
- Physical Development: Fine Motor Development

23. Eye Doctor

- Language, Communication, & Emergent Literacy: Vocabulary
- Health & Wellness: Visual Ability
- Social Studies: Technology in our World
- Scientific Inquiry: Investigation & Inquiry

24. Farmers Market

- Health & Wellness: Makes Healthy Food Choices
- Life Science: Identifies the Characteristics of Living Things
- Scientific Inquiry: Explores Growth & Change of Living Things
- Scientific Inquiry: Environmental Awareness

KidVisionPreK.org

**Educational Standards Learned from
KidVision Pre-K Field Trips, Seasons 1-7
(70 Field Trips/280 Standards Lessons)**

25. Fire Station

- Cognitive Development & General Knowledge: Social Studies
- Cognitive Development & General Knowledge: Mathematical Thinking
- Language, Communication, & Emergent Literacy: Emergent Reading
- Physical Development: Health & Wellness

26. Flag Company

- Social Studies: People, Places, & Environments
- Mathematical Thinking: Patterns & Seriation
- Social & Emotional Development: Self-Regulation
- Language, Communication, & Emergent Literacy: Speaking

27. Flamenco Dance Studio

- Social Studies: Individual Development & Identity
- Creative Movement & Dance: Explores Movement & Dance
- Creative Movement & Dance: Creates Movement & Dance to Communicate an Idea
- Creative Movement & Dance: Discusses Feelings Caused by Movement & Dance

28. Flamingo Gardens

- Scientific Inquiry: Earth & Space
- Scientific Inquiry: Life Science
- Scientific Inquiry: Investigation & Inquiry
- Scientific Inquiry: Environmental Awareness

**Educational Standards Learned from
KidVision Pre-K Field Trips, Seasons 1-7
(70 Field Trips/280 Standards Lessons)**

KidVisionPreK.org

29. G.R.O.W. Project

- Scientific Inquiry: Life Science
- Scientific Inquiry: Earth & Space
- Scientific Inquiry: Investigation & Inquiry
- Scientific Inquiry: Environmental Awareness

30. Grocery Store

- Health & Wellness: Makes Healthy Food Choices
- Life Science: Identifies & Explores the 5 Senses
- Emergent Reading: Reading & Understanding Labels
- Measurement: Compares Weight

31. Gymnastics School

- Physical Development: Health & Wellness
- Gross Motor Development: Combining Movements
- Gross Motor Development: Control & Balance
- Approaches to Learning: Persistence

32. Hair Salon

- Social Studies: Jobs that People Do
- Social Studies: Individual Identity
- Health & Wellness: Healthy Routines
- Health & Wellness: Basic Physical Needs

KidVisionPreK.org

**Educational Standards Learned from
KidVision Pre-K Field Trips, Seasons 1-7
(70 Field Trips/280 Standards Lessons)**

33. Hardware Store

- Approaches to Learning: Planning & Reflection
- Mathematical Thinking: Measurement
- Language, Communication, & Emergent Literacy: Vocabulary
- Approaches to Learning: Creativity

34. Hawaiian Dance & Music

- Creative Expression Through the Arts: Visual Arts
- Creative Expression Through the Arts: Movement & Dance
- Creative Expression Through the Arts: Music
- Creative Expression Through the Arts: Dramatic Play & Theater

35. Healthy Foods at Jungle Island

- Language, Communication, & Emergent Literacy: Emergent Reading
- Physical Development: Makes Healthy Food Choices
- Language, Communication, & Emergent Literacy: Vocabulary
- Social & Emotional Development: Self-Regulation

36. Horse Farm

- Language, Communication, & Emergent Literacy: Vocabulary
- Cognitive Development & General Knowledge: Social Studies
- Physical Development: Gross Motor Development
- Social & Emotional Development: Relationships

**Educational Standards Learned from
KidVision Pre-K Field Trips, Seasons 1-7
(70 Field Trips/280 Standards Lessons)**

37. Ice Cream Parlor

- Social Studies: Individual Development
- Language, Communication, & Emergent Literacy: Emergent Reading
- Mathematical Thinking: Number Sense
- Scientific Inquiry: Life Science

38. Ice Skating

- Health & Wellness: Basic Physical Needs
- Gross Motor Development: Control & Balance
- Gross Motor Development: Combining Movements
- Creative Expression Through the Arts: Movement & Dance

39. Irish Dance Academy

- Social Studies: Appreciate Similarities & Differences in People
- Listening & Understanding: Follows Multi-Step Directions
- Language, Communication, & Emergent Literacy: Listening
- Creative Expression Through the Arts: Movement & Dance

40. Kindergarten

- Physical Development: Self Help
- Social & Emotional Development: Self-Regulation
- Social & Emotional Development: Relationships
- Language, Communication, & Emergent Literacy: Emergent Writing

**Educational Standards Learned from
KidVision Pre-K Field Trips, Seasons 1-7
(70 Field Trips/280 Standards Lessons)**

41. Kites in the Park

- Mathematical Thinking: Geometry
- Language, Communication, & Emergent Literacy: Vocabulary
- Scientific Inquiry: Earth & Space
- Language, Communication, & Emergent Literacy: Listening & Understanding

42. Library

- Social & Emotional Development: Self-Regulation
- Cognitive Development & General Knowledge: Social Studies
- Language, Communication, & Emergent Literacy: Emergent Reading
- Language, Communication & Emergent Literacy: Alphabetic Knowledge

43. Music Store

- Physical Development: Fine Motor Development
- Language, Communication, & Emergent Literacy: Emergent Reading
- Cognitive Development & General Knowledge: Music
- Cognitive Development & General Knowledge: Creative Movement & Dance

44. Native Village

- Scientific Inquiry: Life Science
- Creative Expression: Visual Arts
- Social Studies: Individual Development & Identity
- Social Studies: People, Places & Environments

KidVisionPreK.org

**Educational Standards Learned from
KidVision Pre-K Field Trips, Seasons 1-7
(70 Field Trips/280 Standards Lessons)**

45. Nature Center

- Scientific Inquiry: Life Science
- Creative Expression: Visual Arts
- Social Studies: Individual Development & Identity
- Social Studies: People, Places, & Environments

46. Oceanographic Center

- Scientific Inquiry: Earth & Space
- Scientific Inquiry: Investigation & Inquiry
- Scientific Inquiry: Physical Science
- Scientific Inquiry: Life Science

47. Paper Store

- Approaches to Learning: Eagerness & Curiosity
- Approaches to Learning: Planning & Reflection
- Approaches to Learning: Persistence
- Approaches to Learning: Creativity

48. Pet Shop

- Language, Communication, & Emergent Literacy: Vocabulary
- Social & Emotional Development: Self-Regulation
- Scientific Inquiry: Characteristics of Living Things
- Approaches to Learning: Planning & Reflection

KidVisionPreK.org

49. Pirate Ship Adventure

- Approaches to Learning: Eagerness & Curiosity
- Language, Communication, & Emergent Literacy: Vocabulary
- Social Studies: Geographic Thinking
- Scientific Inquiry: Physical Science

50. Pizza Parlor

- Language, Communication & Emergent Literacy: Emergent Reading
- Approaches to Learning: Eagerness & Curiosity
- Mathematical Thinking: One-to-One Correspondence
- Mathematical Thinking: Number Sense

51. Playground

- Health & Wellness: Safety Routines
- Gross Motor Development: Combine Movements
- Gross Motor Development: Control & Balance
- Health & Wellness: Physical Fitness

52. Post Office

- Emergent Reading: Phonological Awareness
- Emergent Reading; Motivation to Read
- Mathematical Thinking: Geometry
- Social Studies: Individual Development & Identity

KidVisionPreK.org

**Educational Standards Learned from
KidVision Pre-K Field Trips, Seasons 1-7
(70 Field Trips/280 Standards Lessons)**

53. Pottery Studio

- Approaches to Learning; Creativity
- Visual Arts: Explores Visual Arts
- Visual Arts: Communicates Ideas through Art
- Visual Arts: Feelings Caused by Art

54. Radio Station

- Social Studies: Technology in Our World
- Creative Expression through the Arts: Music
- Language, Communication, & Emergent Literacy: Vocabulary
- Language, Communication & Emergent Literacy: Conversation

55. Railroad Museum

- Language, Communication, & Emergent Literacy: Emergent Reading
- Cognitive Development & General Knowledge: Scientific Inquiry
- Language, Communication, & Emergent Literacy: Listening & Understanding
- Cognitive Development & General Knowledge: Mathematical Thinking

56. Rainforest

- Scientific Inquiry: Investigation & Inquiry
- Scientific Inquiry: Life Science
- Scientific Inquiry: Earth & Space
- Scientific Inquiry: Discovers & Explores

KidVisionPreK.org

**Educational Standards Learned from
KidVision Pre-K Field Trips, Seasons 1-7
(70 Field Trips/280 Standards Lessons)**

57. Recycling Center

- Cognitive Development & General Knowledge: Physical Science
- Cognitive Development & General Knowledge: Scientific Inquiry
- Cognitive Development & General Knowledge: Social Studies
- Social & Emotional Development: Self-Regulation

58. ReThink & ReUse Center

- Mathematical Thinking: Spatial Relations
- Language, Communication, & Emergent Literacy: Sentences & Structure
- Approaches to Learning: Creativity
- Scientific Inquiry: Investigation & Inquiry

59. School Bus Depot

- Mathematical Thinking: Number Sense
- Language, Communication, & Emergent Literacy: Vocabulary
- Health & Wellness: Basic Health & Safety Routines
- Social Studies; Civic Ideals & Practices

60. Science Museum

- Cognitive Development & General Knowledge: Scientific Inquiry
- Language, Communication, & Emergent Literacy: Vocabulary
- Scientific Inquiry: Investigation & Inquiry
- Scientific Inquiry: Life Science

KidVisionPreK.org

61. Sheriff's Office

- Language, Communication, & Emergent Literacy: Vocabulary
- Social & Emotional Development: Relationships
- Social & Emotional Development: Self
- Approaches to Learning: Persistence

62. Soccer Game

- Social & Emotional Development: Self-Regulation
- Relationships: Peers
- Gross Motor Development: Motor Control & Balance
- Gross Motor Development: Combine Movements

63. Symphony Orchestra

- Social Studies: Civic Ideals & Practices
- Social Studies; Technology In Our World
- Health & Wellness: Auditory Ability
- Creative Expression Through the Arts: Music

64. Traffic Safety

- Language, Communication, & Emergent Literacy: Vocabulary
- Social & Emotional Development: Following Rules
- Physical Development: Health & Safety Routines
- Listening & Understanding: Multi-Step Directions

KidVisionPreK.org

**Educational Standards Learned from
KidVision Pre-K Field Trips, Seasons 1-7
(70 Field Trips/280 Standards Lessons)**

65. TV Station

- Creative Expression through the Arts: Dramatic Play & Theater
- Social Studies: Technology in Our World
- Approaches to Learning: Creativity
- Approaches to Learning: Planning & Reflection

66. Wearable Art

- Approaches to Learning: Eagerness & Curiosity
- Creativity: Approaches Tasks with Creativity
- Persistence: Attends to Tasks
- Planning & Reflection: Learning from Experiences

67. Weather Station

- Cognitive Development & General Knowledge: Social Studies
- Cognitive Development & General Knowledge: Geometry
- Cognitive Development & General Knowledge: Measurement
- Language, Communication & Emergent Literacy: Speaking

68. Yoga in the Park

- Health & Wellness: Physical Fitness
- Social & Emotional Development: Self
- Physical Development: Gross Motor
- Creative Expression Through the Arts: Dramatic Play & Theater
